

For Your Entertainment

Don't miss world-renowned pop artist and DJ, Maurice Engelen, who will entertain you with a scintillating, live performance at the top of every hour. Maurice portrays a unique combination of artistic music, opera and dance, using Barco solutions to prove that true creativity knows no boundaries.

Enter the Barco EOC Raffle

Visit our booth, and you can enter to win a new Barco EOC card, an optional Enhanced Output Card that provides auxiliary video outputs to our powerful ScreenPRO-II presentation switcher. The EOC also enables scalable DVI inputs (new feature) and adds up to 100 frames of frame grab storage. The EOC adds one additional BNC for

SD/HD-SDI outputs and five BNCs for analog outputs.

Simply provide a business card or complete the contest form at the Barco reception desk. The drawing will be held on Thursday, June 10th at 3:30 pm at the Barco booth, just before the Belgian Beer bar opens. Winner will be notified personally after event (need not be present to win).
