

# Switcher Cable Kit

R9871028

## It's in the kit!

As the ideal companion to ImagePRO, DCS-100, DCS-200, ScreenPRO-II and the Encore Presentation System, the Switcher Cable Kit provides users with a set of high-quality, multi-purpose cables and adapters. If you need the right cable or adapter to connect any signal into our image processing products — it's in the kit. If you need to connect a signal out of our products — it's in the kit!

### Cable Kit Includes:
