

ClickShare Logitech Room Solution - Small

Proven and easy-to-buy room solution for small rooms combining wireless conferencing and video collaboration

- Full BYOD support
- Collaborate remotely
- Works with your device, your conferencing platform (UC) and your brand of peripherals
- Enhanced security
- Connected and cloud managed
- Delivered with 1 Conferencing Button
- Collaborate with Conferencing Button or Collaboration App
- All-in-one conferencecam with extra-wide field of view and integrated audio

The Logitech Room Solution for Barco ClickShare Conference - Small room includes everything you need to equip small conference rooms up to 4 seats. You need only one box to enable wireless conferencing in your company.

This easy-to-setup system includes one ClickShare Conference CX-20 unit, one ClickShare Conferencing Button and a Logitech MeetUp conference camera.

Designed for focus rooms and smaller conference rooms, the small configuration minimizes visible cabling (wireless connection to the user's PC) and saves space with the all-in-one Logitech MeetUp speaker and camera.
