

NX Creative Mechanics

Creative support for Barco's NX LED displays

Easy install

- No additional metal work required for curve screen setting
- Quick swapping of LEDs from normal NX tiles (via magnet fixation)
- Light weight (nearly same as rental structure weight)
- Easy setting with Director Toolset "creative mode"

Perfect curve capability

- Rugged & high precision design
- Convex / concave adapter plate
- Smooth curve shape (small blocks)
- Mix with NX rental structure (flat -concave -convex)

High ROI

- Easy switching between curve screen events and normal IMAG events
- No tooling, quick swapping, short delivery
- Fully compatible NX4 and NX6
- Warranty
