2Q editorial comments

- A quarter of unprecedented demand for Barco's products and services
 - Exponential growth in DC
 - Robust growth in other divisions
- 2Q sales were capped by supply chain issues
 - General shortage of electronic components
 - Ramp-up and cycle time delays
- Margins improving and costs well under control
- Digital cinema and medical divisions continue to perform above expectations
- All divisions were EBITDA positive and well ahead of 1Q (except for VLS and DS)
- Incoming orders for VLS increased vs last year, but shipments were lagging

2Q editorial comments

- Strategic acquisition of dZine will strengthen our value creation models in Digital Signage with content enabling software
- New LED powered cubes meet with enthusiastic customer demand to fuel growth in TSM
- Avionics/Defense return to profitable growth
- Significant wins for the Simulation division with full (360°) mission simulator product line
- Corporate initiatives around Operational Excellence and Customer Intimacy drive productivity gains and customer satisfaction
- Outlook for the remainder of 2010 is positive: profitable growth expected to continue in 2H10
